Dear Class of 2022,

Congratulations! Graduation is a symbolic moment in your life. For the past thirteen years you have been engaged in a process of learning how to learn. While graduation signifies a completion of what has become your "daily routine", it does not signify the end of your learning. The world offers you the opportunity to find your passion and follow your dreams. You, and only you, now define your learning path and the career that will provide the opportunities for you to realize your greatest dreams.

Dream big, work hard, follow your passion, and you will find success. You will forever represent the East Stroudsburg Area School District, your family, and yourself...hold yourself to the highest standard and respect the stories and differences of everyone you meet!

On behalf of the East Stroudsburg Area School District, I congratulate each of you and wish you great success.

William R. Riker
Superintendent

To the Class of 2022,

Today is your graduation day. This will forever be a special day in your lives that no one will ever be able to take from you - you have earned it! Your journey from Kindergarten through graduation day has helped shape the person you are. You have created a strong foundation from which to build as you transition into the next chapter of your life. Whether you are moving on to post secondary schooling, the military, and/or the workforce, I ask one thing from all of you and that is to make the world a better place. As you embark on your next path, continue to live the values of a T-WOLF. Show **Tolerance** when dealing with others, always make **Wise** choices by choosing to do what is right even when it is difficult, take **Ownership** for your actions both good and bad, demonstrate **Leadership** to make your environment better, and promote **Friendship** by being kind to others. If your high school career has taught you one thing, it is to **Just. Keep. Going.** If you do not stop, you will always see every situation you face through to the other side. You are stronger, braver, and more influential than you will ever know. On behalf of our faculty and staff at East Stroudsburg High School North, I want to thank all of you for reminding us to show up everyday and be the best version of ourselves. Know that we are all so very proud of you, and congratulations on this monumental achievement. Enjoy this time in your life and stay awesome!

Principal

HONOR MEDALLIONS

At today's commencement exercise, medallions affixed to ribbons distinguish the Valedictorian and Salutatorian.

NATIONAL HONOR SOCIETY

The purpose of the National Honor Society is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of secondary schools. To be eligible for membership, students must have a cumulative grade point average of at least 3.5. Additionally, potential members must meet high standards of leadership, service, and character. Leadership is based on the student's participation in two or more community or school activities, or election to an office. To meet the service requirement, the student must have been active in three or more service projects in the school and community. Character is measured in terms of integrity, behavior, ethics, and cooperation with students and faculty. Membership is an honor bestowed upon a student, and once selected, members have the responsibility to uphold the standards of the organization. At today's commencement exercise, gold cords distinguish the National Honor Society members.
